Description: Used Flat Top 200RNEW XL 29m Dominator Paraglider(0 hours)NEW 115kg Skylite reserve(never put on the unit)Used Flat Top 200R, its a minari F1 200CC Engine puts out good power, 29hp and has less torque than a moster 185, and a smoother powerband, has a good amount of hours, not sure exactly how many.Comes with a 4 BLADE prop which puts out even more power as well, and the whole setup only weighs 2lbs more than the moster 185, at about 54lbs dry. Also has a quick release harness great and safe incase of water landings.NEW XL Dominator Paraglider Wing never opened, flew an XXS so never needed to use the XL its still in the bag.And has a 115kg reserve also brand new still in the bag
